CORRECTIONAL SYSTEM
JUVENILE CORRECTIONAL SYSTEM

Under current law relating to community youth and family aids, generally referred to as "youth aids," DOC is required to allocate various state and federal moneys to counties to pay for state-provided juvenile correctional services and local delinquency-related and juvenile justice services. DOC charges counties for the costs of services provided by DOC according to per person daily cost assessments specified in the statutes. Currently, those assessments include assessments of \$209 for care in a juvenile correctional facility or a treatment facility, \$244 for care in a residential care center for children and youth, \$163 for care in a group home, \$50 for care in a foster home, \$87 for care in a treatment foster home, \$82 for corrective sanctions services, and \$33 for aftercare services. This bill changes those assessments for fiscal year 2007-08 to \$269 for care in a juvenile correctional facility or a treatment facility, \$277 for care in a residential care center for children and youth, \$165 for care in a group home, \$67 for care in a foster home, \$132 for care in a treatment foster home, \$99 for corrective sanctions services, and \$40 for aftercare services and for fiscal year 2008-09 to \$279 for care in a juvenile correctional facility or a treatment facility, \$296 for care in a residential care center for children and youth, \$172 for care in a group home, \$74 for care in a foster home, \$145 for care in a treatment foster home, \$101 for corrective sanctions services, and \$41 for aftercare services.
