NAVIGABLE WATERS

Under current law, no person may operate a boat in the waters of this state unless the boat is covered by a certificate of number and a registration unless the boat is exempt from those requirements. The fee for the issuance of a certificate of number varies and is generally based upon the size of the boat or upon whether the boat is a nonmotorized sailboat. This bill increases the certificate of number fees that are based upon the size of the boat and the certificate of number fee for nonmotorized sailboats. The bill also increases the registration fee for nonmotorized boats that are exempt from the certificate of number and registration requirements but for which the owner voluntarily applies for registration.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:
