1 AN ACT...; relating to: vehicle supplemental title fees.

Analysis by the Legislative Reference Bureau

TRANSPORTATION

OTHER TRANSPORTATION

Under current law, DOT collects a supplemental vehicle title fee of \$7.50 in connection with applications for certificates of title for new vehicles and for vehicles the ownership of which has been transferred. This supplemental title fee is deposited into the transportation fund. By October 1 of each year, the secretary of transportation must certify to the secretary of administration the amount of this supplemental title fee collected during the previous fiscal year, and that amount is transferred from the general fund to the environmental fund on October 1 of each year.

This bill provides that the amount of supplemental title fees collected by DOT is transferred from the transportation fund, rather than the general fund, to the environmental fund. The bill includes provisions ensuring that the impact of this change will occur as of July 1, 2007.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

Please review the attached draft carefully to ensure that it is consistent with your intent. The subject matter is similar to a 2005 budget draft, LRB-1560 (2005 BB0375), but the details are quite different. ~~Nonetheless~~, I incorporated nonstatutory provisions similar to those in 2005 LRB-1560. Please let me know if this is not consistent with your intent.
