**Subject:** too late to request a repeal of an appropriation (new drafting request)  
**Importance:** High

Hi,

Is it too late for us to request a new draft to repeal an appropriation? This the item I left a voice mail message about for both Peter and Tracy. It would be to repeal the appropriation under s. 20.255 (3) (dn), Project Lead the Way grants, and the associated chapter 20 language. If it is too late, that's OK. There is sunset language in the chapter 20 language. But we are removing the \$ associated with it, so we thought that we should remove the appropriation and language. It could also be done as an errata item.

Thanks,

**Erin K. Fath**
