Subject: emergency draft request
Importance: High

This is a NEW request – the hardcopy version will come over this afternoon.

- Please give the City of Milwaukee the authority, under s. 118.40 (2r), to create an [independent] residential charter school (I don't know if there is a statutory definition of "residential" or if it is needed; if so, could it just say a school in which pupils reside at least 9 months out of an academic year or something like that) – Bob, can you help out?
- For this residential charter school, the per pupil reimbursement rate would be twice the rate that other charter schools under 118.40 (2r) receive (under the current law formula for determining the per pupil payment)
- The authority would be limited to establishing just 1 school with no more than 300 pupils
- Effective upon passage of the budget bill.

Please call Bob Hanle or myself with any questions you may have on this draft. THANK YOU!!
