Yes, those numbers are correct for the amount of GPR that would need to be put back in if the hospital assessment was eliminated.

Let me know if you have any more questions, and have a good evening!

**Subject:** Eliminating the hospital assessment

One last question (I hope); when I was given this amendment request by Senator Darling's aide, I asked him whether he wanted to substitute GPR for the revenue brought in by the assessment, and he replied in the affirmative. That having been said, and in light of the changed dollar amounts resulting from our conversation today for the decrease in 20.435 (4) (xd), is the resulting increase to 20.435 (4) (b) still \$57,909,700 and \$61,750,200?

Many thanks for your help.
