15           **(2)** (a) The department shall consider all of the following criteria to evaluate  
16 applications for a grant or loan under this section:

17           1. The extent to which the project will aid in the research, development, or use  
18 of renewable energy sources in Wisconsin.

19           2. The extent to which the project will improve the competitive position or  
20 enhance the capabilities of Wisconsin's renewable energy industries.

21           3. Whether the project is one in which Wisconsin holds a competitive advantage  
22 over other states.

1           4. The likelihood that the project will lead to the commercial application of new  
2 practices or technologies that involve the development, production, processing, or  
3 distribution of renewable energy.

4           5. The extent to which the project will use existing, surplus, or by-products of  
5 natural resources in this state.

6           6. The extent to which the project will strengthen Wisconsin's existing  
7 industries by converting wastes or by-products generated by existing industries into  
8 renewable energy.

9           7. The extent to which the project will develop technologies to increase the
