- 2 the statutes; **relating to:** temporary alcohol beverage licenses for private fair

Analysis by the Legislative Reference Bureau

Current law authorizes any municipality to issue temporary Class "B" and "Class B" licenses to certain clubs, fair associations, agricultural societies, churches, veterans organizations, lodges, and other societies, which authorize the retail sale of, respectively, fermented malt beverages (beer) and wine at fairs, meetings, picnics, and similar gatherings hosted by the organizations. A municipality may not issue to one of these organizations more than two temporary "Class B" licenses in any 12-month period.

This bill authorizes any municipality to issue temporary Class "B" and "Class B" licenses to private fair organizations authorizing the sale of, respectively, beer and wine (including mead) at private fairs. The temporary licenses authorize sales of, respectively, beer and wine by the licensees while the private fairs are being held and authorize sales on the entire grounds where the fairs are being held if these fairgrounds are fenced or access is otherwise limited to designated entry points. Private fair organizations are not subject to a limit on the number of temporary "Class B" licenses that may be issued to them in any 12-month period.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

2 fermented malt beverages from leased stands on the fairgrounds. The county or
3 district fair to which the license is issued may lease stands on the fairgrounds to
4 persons who may engage in retail sales of fermented malt beverages from the stands
5 while the fair is being held. A license issued to a private fair organization licenses

7 fenced or access to these fairgrounds is otherwise limited to designated entry points
8 and authorizes retail sales of fermented malt beverages only by the licensee and only
9 while the fair is being held. A municipal governing body may issue a temporary
10 Class "B" license for premises that are covered by a "Class B" permit issued under
11 s. 125.51 (5) (b) 2. if the applicant meets the requirements of this subsection.

12 **SECTION 3.** 125.51 (10) of the statutes is amended to read:

13 125.51 (10) TEMPORARY LICENSES. Notwithstanding s. 125.68 (3), temporary

17 to posts of veterans' organizations authorizing the sale of wine in an original
18 package, container or bottle or by the glass if the wine is dispensed directly from an
19 original package, container or bottle at a particular picnic or similar gathering, at

Please review the attached draft carefully to ensure that it is consistent with your intent. ✓ The attached draft incorporates the underage exception material from LRB-0092 and makes it a separate bill. As we discussed, this creates complications (addressed in this bill in bill ^(CS) section 3) because the underage exception is tied to enactment of the amendment drafted as LRBa0058. ✓ When LRB-1552 and its amendment (LRBa0058) are introduced, I can convert this draft into an introducible bill. As discussed in the drafter's note to LRBa0058, it is possible that this "trailer bill" will not be necessary to meet your needs.

Please let me know if you would like any changes made to the attached draft or if you have any questions.

1 AN ACT to create 125.07 (3) (a) 14. of the statutes; relating to: the prohibition
2 against underage persons entering or being on premises operating under an
3 alcohol beverage license.

Analysis by the Legislative Reference Bureau

Under current law, a person who has not reached the legal drinking age of 21 years of age (underage person), and who is not accompanied by his or her parent, guardian, or spouse who has attained the legal drinking age, may not enter or be on any premises for which a license or permit for the retail sale of alcohol beverages has been issued. This bill creates an exception to this prohibition for private fairgrounds ^{or "Class B"} for these fairground premises for which a temporary Class "B" license is issued. The provisions of the bill are contingent upon the enactment of 2007 Wisconsin Act ... (Assembly Bill ...) (LRB-1552/1).

Hi Aaron,

Apparently our constituent would not be applying for a temporary license, but for a regular one.

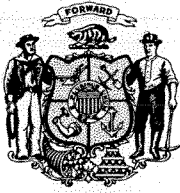

Could we define Private Fair Organization somewhere in statute like we did in LRB 0184/P4 (see below), then create an exception for Private Fair Organization under 125.07(3)(a)? Jeff did the same thing or fish farms in 2003 AB 286 (2003 Act 246)

Thanks. I think we're almost there! I hope.

“Private fair organization” means a for-profit entity organized under the laws of this state that has been in existence for at least 6 months and that hosts community events, open to the public, that are conducted at regular intervals for a limited duration not to exceed a total of 12 weeks in a calendar year for any one event.

1 AN ACT to create 125.07 (3) (a) 14. of the statutes; relating to: the prohibition
2 against underage persons entering or being on premises operating under an
3 alcohol beverage license.

Analysis by the Legislative Reference Bureau

Under current law, a person who has not reached the legal drinking age of 21 years of age (underage person), and who is not accompanied by his or her parent, guardian, or spouse who has attained the legal drinking age, may not enter or be on any premises for which a license or permit for the retail sale of alcohol beverages has been issued. Current law also provides for various exceptions to this prohibition.

Under one exception, an underage person may enter and remain on premises for which a temporary Class "B" license is issued if it is authorized by the municipality issuing the temporary license and if the licensee permits underage persons to be on the premises.

This bill creates an exception to this prohibition for ^{premises for which a} private fairgrounds if a temporary Class "B" or "Class B" license is issued for these fairground premises.

 3 125.26 (3r), 125.32 (3m) (h) and 125.51 (3m) (c) 1. b. and 3. of the statutes;
 4 **relating to:** the issuance of retail alcohol beverage licenses for certain
 5 premises and the prohibition against underage persons entering or being on
 6 premises operating under an alcohol beverage license.

Analysis by the Legislative Reference Bureau

Current law generally prohibits a person from selling alcohol beverages unless the seller possesses a license or permit authorizing the sale. A Class "B" license authorizes the retail sale of fermented malt beverages (beer) for consumption on or off the premises. A "Class C" license authorizes the retail sale of wine (including mead) by the glass or in an opened original container for consumption on the licensed premises and may be issued only for a restaurant that meets certain criteria.

This bill specifies that a municipality may issue a unique Class "B" license, and allows a municipality to issue a unique "Class C" license, to a private fair organization. This Class "B" license, however, authorizes retail sales of beer for consumption only on the licensed premises. A "private fair organization" is a for-profit entity that hosts community events that are conducted at regular intervals for a limited duration not to exceed a total of 12 weeks in a calendar year for any one event.

Handwritten note: "Malt ANAL" with an arrow pointing to the text "A 'private fair organization' is a for-profit entity..."

Current law prohibits, with certain exceptions, the issuance of a Class "B" license for any premises where another business is conducted. This bill creates an exception to this prohibition for the licensed premises of a private fair organization on which festivals, fairs, or other outdoor entertainment events are conducted.

Under current law, a person who has not reached the legal drinking age (21 years of age), and who is not accompanied by his or her parent, guardian, or spouse who has attained the legal drinking age, may not enter or be on any premises for which a license or permit for the retail sale of alcohol beverages has been issued. Current law also provides for various exceptions to this prohibition. This bill creates an exception to this prohibition for Class "B" and "Class C" premises of private fair organizations.

Hi Aaron,

I think we're finally ready to introduce this bill. Can we convert LRB 1754/P3 to a draft ready for introduction? Sen. Kreitlow's office will be requesting a draft for the Senate companion. Thanks.

Hi Tony,

I quickly reviewed these e-mails and agree with his comments, with a caveat. One way to address his comments is to go back to the way we did it before we separated out the "licensing" issue from the "underage presence" issue - to tie the underage presence exception to either a temporary license provision or the permanent license provision. (Initially the permanent license draft had a number of restrictions to avoid it becoming too broad, but some of those restrictions were eliminated in redrafts.) Assuming you still want to go with the temporary license approach rather than the permanent license approach, I could draft both an amendment and a separate bill with both of these provisions in it, linked together. The other approach is, as Roger Johnson suggests, to make the underage exception specifically applicable to the Renaissance Faire. The one caveat I mentioned is that I don't believe we should try to pack on additional definitions to try to make this definition clearer.
