14 71.07 (6e) (a) 5. “Property taxes” means real and personal property taxes,
15 exclusive of special assessments, delinquent interest, and charges for service, paid
16 by a claimant, and the claimant’s spouse if filing a joint return, on the eligible
17 veteran’s or unremarried surviving spouse’s principal dwelling in this state during
18 the taxable year for which credit under this subsection is claimed, less any property
19 taxes paid which are properly includable as a trade or business expense under
20 section 162 of the Internal Revenue Code. If the principal dwelling on which the
21 taxes were paid is owned by 2 or more persons or entities as joint tenants or tenants
22 in common or is owned by spouses as marital property, “property taxes” is that part
23 of property taxes paid that reflects the ownership percentage of the claimant, except
24 that this limitation does not apply to spouses who file a joint return. If the principal
25 dwelling is sold during the taxable year, the “property taxes” for the seller and buyer

1 shall be the amount of the tax prorated to each in the closing agreement pertaining
2 to the sale or, if not so provided for in the closing agreement, the tax shall be prorated
3 between the seller and buyer in proportion to months of their respective ownership.
4 “Property taxes” includes monthly parking municipal permit fees in respect to a

18 pertaining to the sale or, if not so provided for in the closing agreement, the tax shall
19 be prorated between the seller and buyer in proportion to months of their respective
20 ownership. “Property taxes” includes monthly parking municipal permit fees in
21 respect to a principal dwelling collected under s. 66.0435 (3) (c).

22 **SECTION 47.** 71.07 (9) (a) 4. of the statutes is amended to read:

23 71.07 (9) (a) 4. “Rent constituting property taxes” means ~~25%~~ 25 percent of rent
24 if heat is not included, or ~~20%~~ 20 percent of rent if heat is included, paid during the
25 taxable year for which credit is claimed under this subsection, at arm’s length, for

1 the use of a principal dwelling and contiguous land, excluding any payment for
2 domestic, food, medical or other services which are unrelated to use of the dwelling
3 as housing, less any rent paid that is properly includable as a trade or business
4 expense under the internal revenue code. "Rent" includes space rental paid to a
5 landlord for parking a mobile home or manufactured home. Rent shall be
6 apportioned among the occupants of a principal dwelling according to their
7 respective contribution to the total amount of rent paid. "Rent" does not include rent
8 paid for the use of housing which was exempt from property taxation, except housing
9 for which payments in lieu of taxes were made under s. 66.1201 (22).

10 **SECTION 48.** 71.52 (2) of the statutes is amended to read:

11 71.52 (2) "Gross rent" means rental paid at arm's length, solely for the right
12 of occupancy of a homestead. "Gross rent" does not include, whether expressly set
13 out in the rental agreement or not, charges for any medical services; other personal
14 services such as laundry, transportation, counseling, grooming, recreational and
15 therapeutic services; shared living expenses, including but not limited to food,
16 supplies and utilities unless utility payments are included in the gross rent paid to
17 the landlord; and food furnished by the landlord as a part of the rental agreement.
18 "Gross rent" includes the rental paid to a landlord for parking of a mobile home or
19 manufactured home, exclusive of any charges for food furnished by the landlord as
20 a part of the rental agreement, plus parking monthly municipal permit fees paid
21 under s. 66.0435 (3) (c) for a rented mobile home or manufactured home. If a
22 homestead is an integral part of a multipurpose or multidwelling building, "gross
23 rent" is the percentage of the gross rent on that part of the multipurpose or
24 multidwelling building occupied by the household as a principal residence plus the
25 same percentage of the gross rent on the land surrounding it, not exceeding one acre,

1 that is reasonably necessary for use of the multipurpose or multidwelling building
2 as a principal residence, except as the limitations under s. 71.54 (2) (b) apply. If the
3 homestead is part of a farm, “gross rent” is the rent on up to 120 acres of the land
4 contiguous to the claimant’s principal residence plus the rent on all improvements
5 to real property on that land, except as the limitations under s. 71.54 (2) (b) apply.
6 If a claimant and persons who are not members of the claimant’s household reside
7 in a homestead, the claimant’s “gross rent” is the gross rent paid by the claimant to
8 the landlord for the homestead.

9 **SECTION 49.** 71.52 (7) of the statutes is amended to read:

10 71.52 (7) “Property taxes accrued” means real or personal property taxes or
11 monthly parking municipal permit fees under s. 66.0435 (3) (c), exclusive of special
12 assessments, delinquent interest and charges for service, levied on a homestead
13 owned by the claimant or a member of the claimant’s household. “Real or personal
14 property taxes” means those levied under ch. 70, less the tax credit, if any, afforded
15 in respect of such property by s. 79.10. If a homestead is owned by 2 or more persons
16 or entities as joint tenants or tenants in common or is owned as marital property or
17 survivorship marital property and one or more such persons, entities or owners is not
18 a member of the claimant’s household, property taxes accrued is that part of property
19 taxes accrued levied on such homestead, reduced by the tax credit under s. 79.10,
20 that reflects the ownership percentage of the claimant and the claimant’s household,
21 except that if a homestead is owned by 2 or more natural persons or if 2 or more
22 natural persons have an interest in a homestead, one or more of whom is not a
23 member of the claimant’s household, and the claimant has a present interest, as that
24 term is used in s. 700.03 (1), in the homestead and is required by the terms of a will
25 that transferred the homestead or interest in the homestead to the claimant to pay

1 the entire amount of property taxes levied on the homestead, property taxes accrued
2 is property taxes accrued levied on such homestead, reduced by the tax credit under
3 s. 79.10. A marital property agreement or unilateral statement under ch. 766 has
4 no effect in computing property taxes accrued for a person whose homestead is not
5 the same as the homestead of that person's spouse. For purposes of this subsection,
6 property taxes are "levied" when the tax roll is delivered to the local treasurer for
7 collection. If a homestead is sold or purchased during the calendar year of the levy,
8 the property taxes accrued for the seller and the buyer are the amount of the tax levy
9 prorated to each in proportion to the periods of time each both owned and occupied
10 the homestead during the year to which the claim relates. The seller may use the
11 closing agreement pertaining to the sale of the homestead, the property tax bill for
12 the year before the year to which the claim relates or the property tax bill for the year
13 to which the claim relates as the basis for computing property taxes accrued, but
14 those taxes are allowable only for the portion of the year during which the seller
15 owned and occupied the sold homestead. If a household owns and occupies 2 or more
16 homesteads in the same calendar year, property taxes accrued is the sum of the
17 prorated property taxes accrued attributable to the household for each of such
18 homesteads. If the household owns and occupies the homestead for part of the
19 calendar year and rents a homestead for part of the calendar year, it may include both
20 the proration of taxes on the homestead owned and rent constituting property taxes
21 accrued with respect to the months the homestead is rented in computing the amount
22 of the claim under s. 71.54 (1). If a homestead is an integral part of a multipurpose
23 or multidwelling building, property taxes accrued are the percentage of the property
24 taxes accrued on that part of the multipurpose or multidwelling building occupied
25 by the household as a principal residence plus that same percentage of the property

1 taxes accrued on the land surrounding it, not exceeding one acre, that is reasonably
2 necessary for use of the multipurpose or multidwelling building as a principal
3 residence, except as the limitations of s. 71.54 (2) (b) apply. If the homestead is part
4 of a farm, property taxes accrued are the property taxes accrued on up to 120 acres
5 of the land contiguous to the claimant's principal residence and include the property
6 taxes accrued on all improvements to real property located on such land, except as
7 the limitations of s. 71.54 (2) (b) apply.

Senator Lassa

Please review this draft carefully to ensure that it is consistent with your intent. I did not modify the definition of "recreational mobile home" under s. 66.0435 (1) (hm) exactly as suggested because that modification seems to change the meaning of the definition. Under current law, the reference to ANSI A119.5 is intended to act as a substitute for satisfying the "400 square feet" requirement. Under the suggested modification, the reference to ANSI A119.5 would also be a substitute to the other requirements related to claiming an exemption to the monthly parking permit fee. If that's consistent with your intent, I'll happily make the change. Please note, also, that I'm not sure if using the term "prefabricated structure" creates administrative problems related to applying the exemption to a platform and steps, not exceeding 50 square feet. Please contact me if you have any questions.

Hi all --

Thanks for putting so much work into this bill and addressing our major concerns.

Blair Kruger from our staff did notice a couple of new changes that were made that likely weren't intended in the drafting jumble with so many changes being made at once. He's talked with Joe Kreye about both of these and I believe Joe indicated that these were not what he intended and he could easily fix them in the final draft.

1) Unlike the earlier draft, this draft repeals the requirement that a mobile/manufactured home be a person's primary housing unit for purposes of sales tax exemptions in three sections. Current law includes the qualifying phrase "that is a primary housing unit" -- so a unit would have to be a person's primary housing (not a vacation or other second home) to qualify for a full or partial sales tax exemption when it's sold. This draft removes that phrase and thus removes the distinction -- so that the sales tax exemptions would apply to both primary and secondary homes. There are three spots that this change was made that should probably be corrected so that the sales tax exemption (and fiscal effect) is not expanded -- assuming that it is not your intend to expand the current exemptions:

- ✓ Page 20, lines 9-11, creates a contradiction. The phrase "that is a primary housing unit" should not be stricken; it should be restored and follow "new manufactured home, as defined in s. 101.91 (11)" on lines 10 and 11.
- ✓ Page 21, line 5, the requirement that a new manufactured home is "a primary housing unit" should be restored to be consistent with the above and minimize the fiscal effect.
- ✓ Page 23, line 14-15, the qualifying phrase "that is a primary housing unit" should be restored to avoid expanding the exemption to include sales of second homes.

2) The bill uses both the term "recreational vehicle" and the term "recreational vehicle as defined in s. 340.01 (48r)". To avoid confusion the more specific term "recreational vehicle as defined in s. 340.01 (48r)" should be used instead of "recreational vehicle" at page 20, line 25; page 22, lines 15 and 25; page 23, lines 6 and 25; page 24, lines 5, 12, and 19; and page 25, lines 2 and 11.

Thanks again for all your efforts on this bill. We appreciate your willingness to address our concerns.

- 1) "primary housing unit" is in current law for the sections 50, 53 and 59, so it is fine to keep that phrase in current law.
- 2) In chapter 77, making consistent references as you mentioned to 340.01(48r) is just fine as well.

Thanks Joe!

Subject: Subs to SB7 and AB21

Good afternoon everyone,

I just spoke with Blair Kruger from DOR regarding the subs to SB 7 and AB 21 and he had a couple of comments.

First, in sections 50, 53, and 59 of the bill the term "primary housing unit" was deleted from the language related to the taxation of certain manufactured homes. As Blair indicated, this would seem to be a significant change from current law. In other words, certain tax consequences/exemptions would apply to all manufactured homes rather than to those used as a primary housing unit. Was this change intentional?

Second, on pages 20 to 25, there are several references to "recreational vehicles" in chapter 77. Sometimes the term is linked to the definition in s. 340.01 (48r) and sometimes it is not. If the term is supposed to have the same meaning throughout ch. 77, then every use of "recreational vehicle" should be tied to the definition in s. 340.01 (48r), if that is indeed the appropriate reference. This can easily be done by creating a definition for "recreational vehicle" in the relevant places in ch. 77 ("In this subchapter..."Recreational vehicle" has the meaning given in s. 340.01 (48r).") This could also be done for every other relevant term (manufactured home, new manufactured home, etc) that is used throughout ch. 77.

Let me know what you think,

Joe
