

2007 SENATE BILL 209

June 11, 2007 – Introduced by Senator JAUCH, cosponsored by Representative SHERMAN. Referred to Committee on Transportation, Tourism and Insurance.

1 **AN ACT** *to amend* 348.27 (9) (a); and *to create* 348.01 (2) (ax) of the statutes;
2 **relating to:** annual or consecutive month permits for vehicles or combinations
3 of vehicles transporting loads near the Wisconsin–Michigan border.

Analysis by the Legislative Reference Bureau

Under current law, with limited exceptions, no person may operate upon a highway any vehicle or combination of vehicles that exceeds certain statutory limits on size, weight, or load unless that person possesses a permit issued by the Department of Transportation (DOT). DOT may issue an annual or consecutive month permit (Michigan border permit) for an oversize or overweight vehicle or combination of vehicles to: 1) transport loads within 11 miles of the Wisconsin–Michigan state line; or 2) transport exclusively peeled or unpeeled forest products cut crosswise on USH 2 in Iron County or Ashland County if the vehicle or vehicle combination is traveling between this state and Michigan and does not violate Michigan law.

This bill allows a vehicle or vehicle combination operating under a Michigan border permit under the circumstances described in item 2), above, to transport wood chips or forestry biomass and to operate the vehicle or vehicle combination on USH 2 in Bayfield County from the Ashland County line through Hart Lake Road.

Because this bill concerns an exception to the vehicle weight limits specified in ch. 348, stats., the Department of Transportation, as required by law, will prepare a report to be printed as an appendix to this bill.
