2007 BILL

in 5/30

Gen

1 AN ACT ...; relating to: annual or consecutive month permits for vehicles or
 2 combinations of vehicles transporting loads near the Wisconsin-Michigan
 3 border.

Analysis by the Legislative Reference Bureau

X Under current law, with limited exceptions, no person may operate upon a
 highway any vehicle or combination of vehicles that exceeds certain statutory limits
 on size, weight, or load unless that person possesses a permit issued by the
 Department of Transportation (DOT). DOT may issue an annual or consecutive
 month permit (Michigan border permit) for an oversize or overweight vehicle or
 combination of vehicles to: (1) transport loads within 11 miles of the
 Wisconsin-Michigan state line; or (2) transport exclusively peeled or unpeeled forest
 products cut crosswise on USH 2 in Iron County or Ashland County if the vehicle or
 X vehicle combination is traveling between this state and Michigan and does not
 violate Michigan law.

This bill allows a vehicle or vehicle combination operating under a Michigan
 border permit under the circumstances described in item (2), above, to transport
 wood chips or forestry biomass and to operate the vehicle or vehicle combination on
 USH 2 in Bayfield County east of Hart Lake Road.

Because this bill concerns an exception to the vehicle weight limits specified in
 ch. 348, stats., the Department of Transportation, as required by law, will prepare
 a report to be printed as an appendix to this bill.

BILL

For further information see the *state and local* fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

1 **SECTION 1.** 348.01 (2) (ax) of the statutes is created to read:

2 348.01 (2) (ax) "Forestry biomass" has the meaning given in s. 26.385 (1).

3 **SECTION 2.** 348.27 (9) (a) of the statutes is amended to read:

4 348.27 (9) (a) The department may issue annual or consecutive month permits
5 for the transportation on a vehicle or combination of vehicles of loads exceeding
6 statutory length or weight limitations over any class of highway for a distance not
7 to exceed 11 miles from the Michigan–Wisconsin state line, except that a vehicle or
8 combination of vehicles transporting exclusively peeled or unpeeled forest products
9 cut crosswise, wood chips, or forestry biomass may operate under such a permit
10 anywhere upon USH 2 in Iron County or Ashland County or upon USH 2 in Bayfield
11 County east of Hart Lake Road if the vehicle or combination of vehicles is traveling
12 between this state and Michigan and does not violate length or weight limitations
13 established, as of April 28, 2004, under Michigan law. If the roads desired to be used
14 by the applicants involve streets or highways other than those within the state trunk
15 highway system, the application shall be accompanied by a written statement of
16 route approval by the officer in charge of maintenance of the other highway.

Could Sen. Jauch please have LRB 2802/2 jacketed for introduction? Also, if it's possible for us to receive the jacketed draft today it would be most appreciated.

Thanks so much,

Liz
