Hello-

Could you please draft an amendment for Tim Carpenter to SB 214? LRB-2810/1

SB 214 requires a library to disclose to a law enforcement officer, upon his or her request, all records produced by a surveillance device, if the officer is investigating criminal conduct alleged to have occurred at the library.

Could you please draft an amendment that would also, additionally, allow the library to release to law enforcement officials such surveillance records if the library itself initiates contact with law enforcement for assistance? And the records the library releases must be pertinent to the assistance they are seeking from law enforcement.

I have some other questions, so could you please call me when you get a chance?

Thank you,

Regards,

G. Stuart Ewy
