1 AN ACT *to amend* 341.14 (6r) (f) 48. of the statutes; **relating to:** special
2 distinguishing registration plates associated with first responders.

Analysis by the Legislative Reference Bureau

Under current law, members of authorized special groups may obtain special distinguishing registration plates for most motor vehicles that are owned or leased by members of these groups. Authorized special groups include active fire fighters, rescue squad members, and emergency medical technicians. Members of these groups may obtain special distinguishing registration plates for automobiles, light trucks, motor homes, light farm trucks, light dual purpose motor homes, and light dual purpose farm trucks.

This bill adds first responders into the group with emergency medical technicians and allows first responders to obtain special distinguishing registration plates.
