22 of the following:

23 (a) Video service brings important daily benefits to state residents by providing
24 news, education, and entertainment.

1 (b) Uniform regulation of all video service providers by this state is necessary
2 to ensure that state residents receive adequate and efficient video service and to
3 protect and promote the public health, safety, and welfare.

4 (c) Fair competition in the provision of video service will result in new and more
5 video programming choices for consumers in this state, and a number of providers
6 have stated their desire to provide that service.

7 (d) Timely entry into the market is critical for new entrants seeking to compete
8 with existing providers.

9 (e) This state's economy would be enhanced by additional investment in
10 communications and video programming infrastructure by existing and new
11 providers of video service.

12 (f) Minimal regulation of all providers of video service within a uniform
13 framework will promote the investment described in par. (e).

14 (g) Ensuring that existing providers of video service are subject to the same
15 regulatory requirements and procedures as new entrants will ensure fair
16 competition among all providers.

17 (h) This section is an enactment of statewide concern for the purpose of
18 providing uniform regulation of video service that promotes investment in
19 communications and video infrastructures and the continued development of this
20 state's video service marketplace within a framework that is fair and equitable to all

4 2. If the interconnection of the video service networks of interim cable operators
5 or video service providers is technically necessary and feasible for the transmission
6 of programming for any PEG channel for which channel capacity is required by a
7 municipality under par. (a), the interim cable operators and video service providers
8 shall negotiate in good faith for interconnection on mutually acceptable rates, terms,
9 and conditions, except that an interim cable operator or video service provider who

12 Interconnection may be accomplished by direct cable, microwave link, satellite, or
13 any other reasonable method.

14 **(6) INSTITUTIONAL NETWORKS.** Notwithstanding any franchise, ordinance, or

11 video service provider that is required to pay the municipality a video service
12 provider fee.

13 (e) *Actions to enforce payment.* 1. A municipality or a video service provider
14 may not bring an action concerning the amount of a video service provider fee
15 allegedly due to the municipality unless the parties have first participated in and
16 completed good faith settlement discussions. For purposes of any future litigation,
17 all negotiations pursuant to this paragraph shall be treated as compromise
18 negotiations under s. 904.08.

19 2. An action regarding a dispute over the amount of a video service provider fee
20 paid or allegedly due under this subsection shall be commenced within 3 years
21 following the end of the calendar quarter to which the disputed amount relates or be
22 barred, unless the parties agree in writing to an extension of time. Notwithstanding

12 2. It is a defense to an alleged violation of subd. 1. based on income if the video
13 service provider has met either of the following conditions:

16 access to the video service provider's video service are low-income households.

17 b. No later than 5 years after the date on which the video service provider began

5 subscribe to the service for 6 consecutive months, whichever occurs later.

6 2. A large telecommunications video service provider shall file an annual report
7 with the department regarding the large telecommunications video service

9 (c) *Extensions and waivers.* A video service provider may apply to the
10 department for an extension of any time limit specified in par. (a) 2. or (b) or a waiver
11 of a requirement to comply with par. (b). The department shall grant the extension
12 or waiver if the video service provider demonstrates to the satisfaction of the
13 department that the video service provider has made substantial and continuous
14 efforts to comply with the requirements of this subsection and that the extension or
15 waiver is necessary due to one or more of the following factors:

16 1. The video service provider’s inability to obtain access to public and private
17 rights-of-way under reasonable terms and conditions.

18 2. Developments and buildings that are not subject to competition because of
19 exclusive service arrangements.

19 authority to impose additional or different customer service standards that are
20 specific to the provision of video service.

21 (b) No video service provider that provides video service in a municipality may
22 be subject to any customer service standards if there is at least one other person

19 telecommunications utility with less than 50,000 access lines in use in this state on
20 September 1, 1994, or at any time thereafter, the commission may not deny the

23 **SECTION 54.** 196.50 (1) (b) 2. e. of the statutes is amended to read:

24 196.50 (1) (b) 2. e. The holder of the permit and the applicant are both providers

2 ~~provision of cable television service is limited to the provision of satellite cable~~
3 ~~programming, as defined in s. 943.47 (1) (b).~~

4 **SECTION 55.** 196.50 (1) (c) of the statutes is amended to read:

5 196.50 **(1)** (c) Any provision in an agreement or municipal franchise that
6 prohibits entry into the telecommunications or ~~cable television~~ video services market

8 ~~an ordinance enacted under s. 66.0419 which requires a provider of cable television~~
9 ~~services to obtain a franchise before offering those services.~~

10 **SECTION 56.** 196.85 (1m) (b) of the statutes is amended to read:

11 196.85 **(1m)** (b) For the purpose of direct assessment under sub. (1) of expenses
12 incurred by the commission in connection with its activities under s. 196.04 (4), the
13 term “public utility” includes a ~~cable operator, as defined in s. 66.0419 (2) (b)~~ video
14 service provider.

15 **SECTION 57.** 196.85 (1m) (d) of the statutes is created to read:

16 196.85 **(1m)** (d) For the purpose of direct assessment under sub. (1) of expenses
17 incurred by the commission in connection with its activities under s. 182.017, the
18 term “public utility” includes a company, as defined in s. 182.017 (1g) (b).

19 **SECTION 58.** 943.46 (title) of the statutes is amended to read:

20 **943.46** (title) **Theft of cable television video service.**

21 **SECTION 59.** 943.46 (1) (a) of the statutes is renumbered 943.46 (1) (c) and
22 amended to read:

23 943.46 **(1)** (c) “~~Cable television~~ Video service” has the meaning given in s.
24 ~~196.01 (1p).~~ “~~Cable television~~ 66.0420 (2) (y), except that “video service” does not
25 include signals received by privately owned antennas that are not connected to a

1 ~~cable television system~~ video service network whether or not the same signals are
2 provided by a ~~cable television company~~ video service provider.

3 **SECTION 60.** 943.46 (1) (d) of the statutes is created to read:

4 943.46 (1) (d) “Video service network” has the meaning given in s. 66.0420 (2)
5 (zb).

6 **SECTION 61.** 943.46 (1) (e) of the statutes is created to read:

7 943.46 (1) (e) “Video service provider” has the meaning given in s. 66.0420 (2)
8 (zg), and also includes an interim cable operator, as defined in s. 66.0420 (2) (n).

9 **SECTION 62.** 943.46 (2) (a) of the statutes is amended to read:

10 943.46 (2) (a) Obtain or attempt to obtain ~~cable television~~ video service from
11 a ~~company~~ provider by trick, artifice, deception, use of an illegal device or illegal
12 decoder or other fraudulent means with the intent to deprive that ~~company~~ provider
13 of any or all lawful compensation for rendering each type of service obtained. The
14 intent required for a violation of this paragraph may be inferred from the presence
15 on the property and in the actual possession of the defendant of a device not
16 authorized by the ~~cable television company~~ video service provider, the major purpose
17 of which is to permit reception of ~~cable television~~ video services without payment.
18 This inference is rebutted if the defendant demonstrates that he or she purchased
19 that device for a legitimate use.

20 **SECTION 63.** 943.46 (2) (b) of the statutes is amended to read:

21 943.46 (2) (b) Give technical assistance or instruction to any person in
22 obtaining or attempting to obtain any ~~cable television~~ video service without payment
23 of all lawful compensation to the ~~company~~ provider providing that service. This
24 paragraph does not apply if the defendant demonstrates that the technical

1 assistance or instruction was given or the installation of the connection, descrambler
2 or receiving device was for a legitimate use.

3 **SECTION 64.** 943.46 (2) (c) of the statutes is amended to read:

4 943.46 (2) (c) Make or maintain a connection, whether physical, electrical,
5 mechanical, acoustical or by other means, with any cables, wires, components or
6 other devices used for the distribution of ~~cable television~~ video services for the
7 purpose of distributing ~~cable television~~ video service to any other dwelling unit
8 without authority from a ~~cable television company~~ video service provider.

9 **SECTION 65.** 943.46 (2) (d) of the statutes is amended to read:

10 943.46 (2) (d) Make or maintain a connection, whether physical, electrical,
11 mechanical, acoustical or by other means, with any cables, wires, components or
12 other devices used for the distribution of ~~cable television~~ video services for the
13 purpose of obtaining ~~cable television~~ video service without payment of all lawful
14 compensation to the ~~company~~ provider providing that service. The intent required
15 for a violation of this paragraph may be inferred from proof that the ~~cable~~ video
16 service to the defendant's residence or business was connected under a service
17 agreement with the defendant and has been disconnected by the ~~cable television~~
18 ~~company~~ video service provider and that thereafter there exists in fact a connection
19 to the ~~cable system~~ video service network at the defendant's residence or business.

20 **SECTION 66.** 943.46 (2) (e) of the statutes is amended to read:

21 943.46 (2) (e) Make or maintain any modification or alteration to any device
22 installed with the authorization of a ~~cable television company~~ video service provider
23 for the purpose of intercepting or receiving any program or other service carried by
24 that ~~company~~ provider which that person is not authorized by that ~~company~~ provider
25 to receive. The intent required for a violation of this paragraph may be inferred from

1 proof that, as a matter of standard procedure, the ~~cable television company~~ video
2 service provider places written warning labels on its converters or decoders
3 explaining that tampering with the device is a violation of law and the converter or
4 decoder is found to have been tampered with, altered or modified so as to allow the
5 reception or interception of programming carried by the ~~cable television company~~
6 video service provider without authority to do so. The trier of fact may also infer that
7 a converter or decoder has been altered or modified from proof that the ~~cable~~
8 ~~television company~~ video service provider, as a matter of standard procedure, seals
9 the converters or decoders with a label or mechanical device, that the seal was shown
10 to the customer upon delivery of the decoder and that the seal has been removed or
11 broken. The inferences under this paragraph are rebutted if the ~~cable television~~
12 ~~company~~ video service provider cannot demonstrate that the intact seal was shown
13 to the customer.

14 **SECTION 67.** 943.46 (2) (f) of the statutes is amended to read:

15 943.46 (2) (f) Possess without authority any device or printed circuit board
16 designed to receive from a ~~cable television system~~ video service network any ~~cable~~
17 ~~television~~ video programming or services offered for sale over that ~~cable television~~
18 ~~system~~ video service network, whether or not the programming or services are
19 encoded, filtered, scrambled or otherwise made unintelligible, or perform or
20 facilitate the performance of any of the acts under pars. (a) to (e) with the intent that
21 that device or printed circuit be used to receive that ~~cable television company's~~ video
22 service provider's services without payment. Intent to violate this paragraph for
23 direct or indirect commercial advantage or private financial gain may be inferred
24 from proof of the existence on the property and in the actual possession of the

1 defendant of a device if the totality of circumstances, including quantities or
2 volumes, indicates possession for resale.

3 **SECTION 68.** 943.46 (2) (g) of the statutes is amended to read:

4 943.46 (2) (g) Manufacture, import into this state, distribute, publish,
5 advertise, sell, lease or offer for sale or lease any device, printed circuit board or any
6 plan or kit for a device or for a printed circuit designed to receive the ~~cable television~~
7 video programming or services offered for sale over a ~~cable television system~~ video
8 service network from a ~~cable television system~~ video service network, whether or not
9 the programming or services are encoded, filtered, scrambled or otherwise made
10 unintelligible, with the intent that that device, printed circuit, plan or kit be used for
11 the reception of that ~~company's~~ provider's services without payment. The intent
12 required for a violation of this paragraph may be inferred from proof that the
13 defendant has sold, leased or offered for sale or lease any device, printed circuit
14 board, plan or kit for a device or for a printed circuit board in violation of this
15 paragraph and during the course of the transaction for sale or lease the defendant
16 expressly states or implies to the buyer that the product will enable the buyer to
17 obtain ~~cable television~~ video service without charge.

18 **SECTION 69.** 943.46 (5) of the statutes is amended to read:

19 943.46 (5) EXCEPTION. This section does not affect the use by a person of ~~cable~~
20 ~~television~~ video services if the services have been paid for and the use is exclusive to
21 the person's dwelling unit. This subsection does not prohibit a board or council of any
22 city, village or town from specifying the number and manner of installation of outlets
23 used by any such person for ~~cable television~~ video services and does not prohibit a
24 ~~cable television company~~ video service provider, in any written contract with a

1 subscriber, from requiring the ~~company's~~ provider's approval for any increase in the
2 number of those outlets used.

3 (END)
