

**DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU**

LRBa0385/1dn
MDK:kjf:jf

April 23, 2007

Rep. Molepske:

This amendment corresponds to the 3rd concern under item 1 of the WAPC document (i.e., definition of “noncommercial”).

Note that I made changes because I do not think that the proposed language is grammatically consistent with the definition of “PEG channel.”
