Subject: FW: Proposed amendment to AB-295

Jeff,

Would you do an amendment in accordance to the suggested language below. We have an exec on the bill scheduled for tomorrow at 10 a.m. so I am under a tight time line. Sorry for the rush on this one. Thank you, Terri

Many County Clerks and their designated staff are responsible for entering and maintaining the voter registration information in SVRS. This process includes entering the information mentioned above. **I request an amendment inserting on line 5 "County Clerks and their deputy designated by the County Clerk, " following the verbiage "clerk, a deputy clerk," be added to AB-295.**

Representative Albers:

I have added the executive director of a county board of election commissioners or a deputy designated by the executive director because in Milwaukee County, the county clerk does not administer elections and the amendment would therefore not apply in Milwaukee County without this change. Please let me know if you have any question about this change. ✓
