# 2007 ASSEMBLY BILL 100

February 22, 2007 - Introduced by Representatives SCHNEIDER, ALBERS, PETROWSKI and A. WILLIAMS. Referred to Committee on Transportation.

1 **AN ACT to amend** 347.43 (1s) of the statutes; **relating to:** the requirement that  
2 motor vehicles be equipped with safety glass.

---

***Analysis by the Legislative Reference Bureau***

Under current law, all motor vehicles operated upon a highway must be equipped with safety glass wherever glass is used on the vehicle in windshields, windows, doors, and partitions. "Safety glass" is defined as glass that is treated or combined with other materials to reduce the likelihood of injury to persons by objects from external sources or by the glass when the glass is struck or broken.

Also under current law, a "mobile home" is defined, in part, as a towed vehicle and a person may not be a passenger in a mobile home while it is being towed unless, with certain limitations, the mobile home is a fifth-wheel mobile home.

This bill creates an exception to the vehicle safety glass requirement for mobile homes that are not fifth-wheel mobile homes.

***The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:***
