

**DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU**

LRB-0677/P1dn
BAB:jld:rs

December 19, 2006

ATTN: Representative Schneider

I note that the current language of s. 347.43 (1s) regulates only cars manufactured after January 1, 1936. It would not appear that there are a significant number of vehicles more than seventy years of age that are still driven regularly on the highways of this state, as opposed to the limited special occasion driving permitted when an older vehicle is registered as an antique. You may wish to consult with DOT to obtain their recommendation on whether to delete the reference in this section to vehicles manufactured after January 1, 1936.
