Representative Ballweg:

X At your request, I have prepared an amendment which adds the reporting requirements of s. 118.07 (2) (b), 2003 stats. to 2007 AB 321. The 2003 law required public and private schools to file reports regarding fire drills to the Department of Commerce (Commerce) and, if the community in which the school was located had a recognized fire department, to the chief of the fire department. Under the 2003 law, reports were to be submitted on forms prepared by Commerce.

X You asked that reports be submitted only to fire departments and not to the Commerce. I have two questions:

1. As drafted, reports are still required to be submitted on a form prepared by Commerce. Okay?
2. If a community does not have a recognized fire department, should the school be required to submit the form to any other entity?
