**Legislative Proposal Summary
Wisconsin Department of Health and Family Services
OSF**

August 15, 2005

TITLE: HIV/AIDS Program Technical Correction

DESCRIPTION OF CURRENT LAW AND PROBLEM

Currently s.49.686 (2) provides that the Department may reimburse or supplement the reimbursement of the cost of certain drugs for individuals with HIV infection from appropriations s. 20.435 (1)(m) and (5) (am) and (i). The statute incorrectly references s. 20.435 (1)(m), which is a federally-funded state operations appropriation. The correct reference should be to s.20.435 (5)(ma), which is a federally-funded aids appropriation. This technical correction will provide the correct reference.

RECOMMENDATION FOR ACTION

Revise statutes so that the correct appropriation is referenced.

ADMINISTRATIVE IMPACT

No significant change, but practice will be consistent with statutes.

POLICY IMPLICATIONS

None.

FISCAL EFFECT

None.

DRAFTING INSTRUCTIONS

Amend s.49.686 (2) so that the appropriations referenced are s.20.435 (5)(ma), (5) (am), and (5) (i).

**EFFECTIVE DATE FOR CHANGE TO CURRENT LAW AND/OR INITIAL
APPLICABILITY FOR NEW PROVISION**

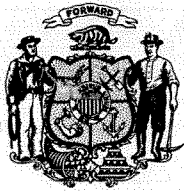

Upon passage of bill.

INTERESTED/AFFECTED PARTIES

Department fiscal staff.

human immunodeficiency virus

1
2

AN ACT ...; relating to: moneys used to reimburse the cost of drugs to treat HIV infections and making appropriations. ✓

HIV
STET

(DHFS)

Analysis by the Legislative Reference Bureau

Current law provides that the Department of Health and Family Services may use federal project operations moneys, among other funds, to reimburse the costs of drugs used to treat persons with an HIV infection. This bill provides that DHFS may use federal project aids moneys rather than federal project operations moneys to reimburse these costs. ✓

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:
