2007 BILL

SA ✓

Reyer Cat

1 AN ACT *to amend* 939.22 (10), 939.22 (38), 939.632 (1) (e) 1. and 973.055 (1) (a)

2 1.; and *to create* 939.22 (23) and 940.235 of the statutes; **relating to:**

3 strangulation and suffocation, and providing a penalty.

***Analysis by the Legislative Reference Bureau***

Under this bill, anyone who intentionally impedes the normal breathing or blood circulation of another person by applying pressure on the throat or neck, or by blocking the nose or mouth, of the other person is guilty of a Class H felony, and subject to a fine not to exceed \$10,000, a prison term not to exceed six years, or both. If the actor has a previous conviction for this offense or for another violent offense, he or she is guilty of a Class G felony, and subject to a fine not to exceed \$25,000, a prison term not to exceed 10 years, or both.

Current law provides for an enhanced sentence and other penalties if a person commits a crime using a dangerous weapon or if a person who is convicted of certain offenses has a previous conviction for a violent crime. The bill broadens the definition of a "dangerous weapon" to include a ligature or any other instrument used on the throat, neck, nose, or mouth of another person to impede, partially or completely, breathing or circulation of blood, and includes strangulation and suffocation in the definition of a "violent crime."

The bill also expands the definition of "substantial bodily harm" to include a bruise, contusion, or petechia that is caused by strangulation or suffocation. Finally, the bill requires a person who is convicted of a strangulation or suffocation offense that involves a person who had a restraining order against the offender, the

offender's spouse or former spouse, an adult with whom the offender lives or formerly lived, or an adult with whom the offender has a child to pay a domestic abuse assessment of \$75 for each offense.

Because this bill creates a new crime or revises a penalty for an existing crime, the Joint Review Committee on Criminal Penalties may be requested to prepare a report concerning the proposed penalty and the costs or savings that are likely to result if the bill is enacted.
