

2007 ASSEMBLY BILL 594

November 29, 2007 – Introduced by LAW REVISION COMMITTEE. Referred to Committee on Transportation.

1 **AN ACT to amend** 341.04 (1) of the statutes; **relating to:** operation of
2 unregistered motor vehicles on highways (suggested as remedial legislation by
3 the Department of Transportation).

Analysis by the Legislative Reference Bureau

Under current law, motor vehicles, recreational vehicles, trailers, semitrailers, and other vehicles that are required to be registered with the Department of Transportation must be currently registered or have a registration application in process to be operated on a highway. This bill makes minor grammatical changes to clarify that requirement.

For further information, see the NOTES provided by the Law Revision Committee of the Joint Legislative Council.
