

**DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU**

LRB-2203/P1dn
BAB:wlj:pg

April 9, 2007

ATTN: B.J. Dernbach

Your request specified that markers for the Veterans of the American Revolution Memorial Bridge be placed at interstate rest areas nearest to the bridge. This is an unusual term that is not present in any other statute creating a memorial bridge. Typically, markers for memorial bridges are located on lands near the bridge. I have provided that markers be placed near the bridge and that directional markers be placed at the interstate rest areas closest to the bridge. Is that acceptable?
