**Fiscal Estimate Narratives**

**DOA 7/13/2007**

LRB Number <b>07-2805/1</b>	Introduction Number <b>AB-0450</b>	Estimate Type <b>Original</b>
<b>Description</b> Flying of the United States flag at public buildings, structures, and facilities		

**Assumptions Used in Arriving at Fiscal Estimate**

If enacted, this bill would require each state agency, state authority, and local governmental unit in Wisconsin to ensure that each United States flag that is flown at each building, structure, or facility that is owned or occupied entirely by the agency, authority, or unit is manufactured in the United States.

There is no data available as to how many flags are flown at each building, structure, or facility affected by this bill. Also, there is no data available as to the number of such flags that were not manufactured in the United States. Finally, while the bill's provisions would be enforceable through the court system, the penalty for violation of the bill is not identified so it can not be determined what amount of penalty funds would be generated.

**Long-Range Fiscal Implications**

Unknown.
