

**DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU**

LRB-0843/P1dn
PJK:jld:jf

December 19, 2006

See the embedded notes in the draft. Because the draft is based on compact language that was submitted to me last session for LRB-4355, some of the notes relate to the actual language used rather than to concepts.

Pamela J. Kahler
Senior Legislative Attorney
