

DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU

LRB-2104/1dn
PJK:wlj:sh

March 13, 2007

This is the agent package, which includes the agent-related provisions from last session's LRB-3368/5 (the omnibus bill). This draft does not include the change to the title of s. 628.11, however, because that was not mentioned in the description of the agent package. Be sure to let me know if that, or anything else, should be added, or if anything should be deleted.
