

**DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU**

LRB-3497/1dn
RNK:kjf:jf

February 8, 2008

This draft specifies that the Department of Commerce's rules may not require an owner or operator of a mobile kitchen to install or maintain an automatic fire suppression system in, or as part of, the mobile kitchen. Do you want to limit this provision to mobile kitchens of a specified size?

Please feel free to contact me if you have any questions with regard to this draft.
