Gordon –

We anticipate that AB 760 related to professional employer organizations will be taken up on the Senate floor next Tuesday.

We need a Senate amendment to the Assembly substitute which would restore the .5 PR position in the Department of Regulation and Licensing and restore the fee structure found in the original bill.

Thank you.

Office of Senator Wirch

Dear Senator Wirch,

On behalf of the National Association of Professional Employer Organizations (NAPEO), I wanted to request that 2007 Assembly Bill 760 be amended to restore the fees and position authority removed by the substitute amendment adopted by the Assembly. Suggested drafting instructions are attached.

These provisions are vital for the Department of Regulation and Licensing to effectively and efficiently administer the chapter created by this legislation.

Thank you in advance for your consideration. If you have any questions, please feel free to contact me.

Sincerely,
