2007 SENATE BILL 429

January 29, 2008 - Introduced by Senator GROTHMAN, cosponsored by Representative GOTTLIEB. Referred to Committee on Transportation and Tourism.

- 1 **AN ACT to create** 125.51 (4) (w) of the statutes; **relating to:** allowing a village
2 meeting specified criteria to exceed its retail liquor license quota by issuing one
3 additional retail license.

Analysis by the Legislative Reference Bureau

Current law prohibits a person from selling alcohol beverages at retail unless the seller possesses a license or permit authorizing the sale. A "Class B" license authorizes the sale of intoxicating liquor at retail for consumption on the premises where sold and is issued for specific premises. Current law imposes a quota on the number of "Class B" licenses that a municipality may issue. This quota is generally determined by a formula based on the number of licenses previously issued by the municipality and the municipality's population. Current law also provides a limited number of quota exceptions.

This bill allows any village in the northern geographical half of Ozaukee County having a population of more than 4,000 to issue one "Class B" license in addition to the "Class B" licenses authorized under the village's quota.

For further information see the *local* fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

5 board, one "Class B" license in addition to the number of licenses determined for the
6 village's quota under pars. (b) to (d).
