Subject: Amendment to SB 429

Hi Aaron,

I left you a voicemail, but am following up with an email that includes language for the amendment that Senator Plale wants drafted for SB 429, which is up on the floor tomorrow. The language he'd like is highlighted in blue. Please feel free to contact me with questions.

125.51 (4) (w) Notwithstanding pars. (am) to (d) and s. 125.185 (5), the village board of any village in the northern geographical half of Ozaukee County having a population of more than 4,000 or a city in the southern geographical half of Milwaukee County, which borders Lake Michigan and has a population of less than 15,000, may issue, to any applicant designated by the village board or city council, one "Class B" license in addition to the number of licenses determined for the village's quota under pars. (b) to (d).

We appreciate your swift work on this.

Thanks!

Amber
