Robin,

I talked it over with Jim and he would still like to get something drafted to increase the deadline from 9 months to 12 months for non-profits that have been established for at least 5 years.

Thank you again for all your help, let me know if you have any questions (i will try to get them answered),

Lisa

As we discussed, the time period for selling raffle tickets prior to a drawing has been increased to 270 days for everyone since this bill was drafted.
