Subject: Request from Senator Breske regarding lightweight utility vehicle project.

Beth from Breske's office called. They are requesting a draft to clear up how a part of the above project language is being interpreted. Under s. 23.33 (11m) (d), DNR is interpreting "ATV routes and trails under their jurisdiction" as meaning only county and municipal routes and trails, that is those that receive local aids. As to state (DNR) trails (I don't think there are any DNR routes but there may be), DNR is taking the positions that these vehicles cannot be used on them. Breske wants to be clear that any route or trail, regardless of whether it is state, municipal, or county) is open to these vehicles if the route or trail is physically located within the boundaries of the municipality or county.

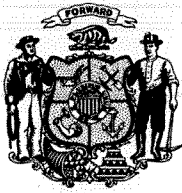

I am passing this on to you because you drafted this stuff in the budget.

267-7456 *267-2769*
You may contact Mike Lutz or Eric Ebersburger at DNR. In fact, I gathered Beth wanted you to call one of them to make sure the draft will take care of all of DNR's objections.

They want this very, very soon. Hopefully it will be simple. If you want to discuss this with me, I'll be in around 10:30 tomorrow (Tuesday).

See you tomorrow,

Mary

PRELIMINARY DRAFT - NOT READY FOR INTRODUCTION

2007 Bill

1 AN ACT ...; relating to: all-terrain vehicle routes and trails that may be used by
2 operators of lightweight utility vehicles. ✓

LUVs

Analysis by the Legislative Reference Bureau

Under current law, the Department of Natural Resources, in consultation with the Department of Transportation, is required to administer a pilot program to investigate the effects of using lightweight utility vehicles (LUVs) on trails and roadways that are used by all-terrain vehicles (ATVs) to evaluate whether it is feasible and appropriate to expand the allowable use of ATVs. The counties and municipalities that are eligible to participate in the pilot program may designate ATV routes and trails within their respective jurisdictions that may be used by operators of LUVs and upon which LUV use may be prohibited. ✓

This bill specifies that an eligible county or municipality may designate any ATV route or trail located in the respective county or municipality as one that may be used by LUV operators or as one upon which LUV use may be prohibited, regardless of whether the route or trail is within the respective county or municipality's jurisdiction. ✓

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

3 SECTION 1. 23.33 (11m) (d) 1. of the statutes, as created by 2007 Wisconsin Act
4 20, is amended to read:

1 ✓ 23.33 (11m) (d) 1. All-terrain vehicle routes and trails located within their the
 2 respective jurisdictions county or municipality that may be used by operators of
 3 lightweight utility vehicles. ✓
