1     **AN ACT to amend** 765.09 (3) (b) of the statutes; **relating to:** requiring every  
2           applicant for a marriage license to present a certified copy of a birth certificate.

---

### *Analysis by the Legislative Reference Bureau*

Under current law, an individual must be at least 18 years of age to marry in this state, unless the individual is between 16 and 18 years of age and has the written consent of his or her parent or guardian. An applicant for a marriage license who is under 30 years of age must present to the county clerk, who issues marriage licenses, a certified copy of his or her birth certificate. This bill removes the age limitation for the birth certificate requirement so that every applicant for a marriage license, regardless of age, must present to the county clerk a certified copy of his or her birth certificate.
