**Drafting Instructions for an Assembly Amendment to AB 83
(LRB 0596/1)**

✓ **Page 3, line 1:**

Add, "or his or her designee" to the end of the sentence.

✓ **Page 3, lines 2-9:**

Is there any way to make to make it more clear that, despite the listing of the various entities, this section accounts for only a single member of the council? There have been some concerns raised that this could be interpreted to mean each of the entities listed would choose a member to be on the council.

Section 2 [15.137 (2)(a)]:

Add a total of six members to the Council:

- 38.12(3)(a)1.
1. A Technical College District President, chosen by the Director of the Technical College System.
 2. A Technical College Dean of Agriculture, chosen by the Director of the Technical College System.
 3. A teacher who teaches classes in science, vocational technology, business, math or similar field.
 4. A guidance counselor.
 5. A school district administrator.
 6. A member of a school district board of education.

✓ **Section 2 [15.137 (2)(c)]:**

Members 3 through 6 mentioned above are to be appointed by the State Superintendent of Public Instruction with parameters identical to those noted for the Secretary of Agriculture, Trade & Consumer Protection.

✓ **Page 4, line 6:**

Change "6." to "7."

✓ **Page 5, line 19:**

Delete, "and curricula".

✓ **Page 5, line 25:**

Add, "across educational systems" to the end of the sentence.

✓ **Page 6, lines 1-3:**

The sentence should read as follows (new words in bold):

The council shall seek to accomplish the purposes under par. (a) by advising state agencies on matters related to **integrating** agricultural education and workforce development **systems**, including all of the following:

✓ Page 6, line 5:

The sentence should read as follows (new words in bold):

2. The exchange of information related to educational **and workforce development** needs.

✓ Section 7 [93.33 (3)(a)] (Page 6, lines 10-12):

Require the State Superintendent of Public Instruction and the Secretary of the Department of Agriculture, Trade and Consumer Protection (or their respective designees) be members of the Council's Executive Committee.

Also, please add language specifying that the majority of the Executive Committee membership shall be from non-state agency or educational institutions.

✓ Page 6, line 13:

Modify language to read as follows (changes in bold):

(b) The **executive committee** may create other committees to assist in **the council's** work.

✓ Page 6, lines 16-18:

Modify language to read as follows (changes in bold):

The council **and executive committee** shall consider the need for committees on the subjects within the scope of **the council's** functions under sub. (2) and other subjects determined to be appropriate by the council **and executive committee**.

✓ Page 7, line 23:

Change the reporting mechanism regarding the assessments of agricultural education programs to include:

A review of K-12 agricultural education programs prepared by the Department of Public Instruction.

A review of Technical College System agricultural education programs prepared by the Technical College System.

A review of University of Wisconsin System agricultural education programs prepared either jointly or individually by University of Wisconsin System colleges identified as members of the council and University of Wisconsin-Extension with input from or review by the University of Wisconsin System.

The aforementioned reviews and Council reaction to said reviews should be included in the Council's annual report.

Change, "problems" to "challenges".

Erin Ruby:

This is the amendment to AB 83.

I added the word "jointly" to page 3, line 2 for clarification.

I realize that the technical colleges call the administrator in charge of a district the president, but under s. 38.12 (3) (a) 1. that administrator is called a director.

It looks to me as though most of the technical colleges do not³ have deans that are strictly deans of agriculture. Please see the language in item 4 of the amendment that I used to deal with that.

Please let me know if you have any questions or redraft instructions.

Subject: LRBa0180/1

Becky,

First, thank you for the quick turn around on this amendment!

I have a question, and then a few changes to be made.

My question pertains to item 12. By incorporating the amendment language, is it correct to read that section (page 6, lines 10-12) in its final form as follows? *yes - OK per Erin*

(3) Committees. (a) The council shall create an executive committee that includes the secretary of agriculture or his or her designee and the state superintendent of public instruction or his or her designee. The council shall select members of the executive committee so that fewer than half of the members of the executive committee are state employees. The executive committee shall provide guidance to the council and to staff that support the functions of the council. The executive committee shall meet between meetings of the council.

✓ I'm also wondering if the Secretary of Agriculture should be the Secretary of Agriculture, Trade and Consumer Protection for consistency with the rest of the bill? *yes*

✓ As for changes, we need to add a school district administrator to the council's membership, and this member is to be appointed by the State Superintendent of Public Instruction. This would then change "26." on page 2, lines 4 and 5 to "27.", and the staggered appointments on pages 3 and 4.

✓ As we discussed earlier this week, the University of Wisconsin - Extension needs to be added to the reporting mechanism for the University of Wisconsin System on page 3. Also, per our discussion, if there is a way to simplify how this section reads relative to the institutions involved, please alter that section appropriately.

AB 83 is scheduled for a public hearing on March 27th. We would like to have the amendment finalized and introduced prior to the hearing.

Please let me know if you have any questions.

Thank you!
Erin
