ATTN: Jana Steinmetz

In this draft, I have assumed that a portion of the \$13,093,200 expenditure estimate for the appropriation account under s. 20.865 (4) (u), as it appears in the ch. 20 schedule created in 2007 Wisconsin Act 20, has been earmarked for DOT supplements relating to implementation of the federal REAL ID Act.

The appropriation account under s. 20.865 (4) (u) is a sum sufficient appropriation, so I cannot lapse moneys from that appropriation account as requested in the drafting instructions. Instead, under this draft, if the joint committee on finance approves any supplement to DOT for REAL ID Act implementation, the joint committee on finance must leave unexpended at least \$3,000,000 of the moneys earmarked for REAL ID Act implementation.

Hi Sara,

I'll take care of this Monday.

This basically looks the same as LRB-4072 (BAB013) with \$5 M instead of \$3 M. (For the reasons stated in the d-note to LRB-4072, what is requested cannot be accomplished directly.)

Do you want me to redraft LRB-4072 to make the number \$8 M instead of \$3 M?

Thanks. Aaron
