(HMOs) is not eligible for the federal Medicaid share, DHFS must refund that amount to hospitals in proportion to each hospital's assessment payment. The assessments must be deposited into the hospital assessment fund a separate, nonlapsible trust fund, as created in the bill

Moneys from the hospital assessments deposited in the hospital assessment fund are, under the bill, appropriated to provide the MA nonfederal share for increased payments, in excess of the aggregate inpatient and outpatient MA hospital payment rates in effect in fiscal year 2007408, and refunds to hospitals for services provided under MA and Badger Care. They are also appropriated to increase (together with federal Medicaid matching moneys) the amount of moneys DHFS must distribute to rural hospitals for fiscal year 2008-09 and each fiscal year thereafter, by \$3,000,000. Additionally, they are appropriated to provide \$1,500,000 in each fiscal year for a portion of MA program benefits. Lastly, they are transferred from the hospital assessment fund to the injured patients and families compensation fund in the amounts of \$60,000,000 in fiscal years 2008-09, \$65,000,000 in fiscal year 2009-10 and 2010-11, and \$10,000,000 in fiscal year 2011-12. The Joint Committee on Finance of the legislature (JCF) may not transfer moneys from the hospital assessment fund. NSERT

The bill requires HMOs that provide services under MA and Badger Care to make monthly payments to hospitals in amounts equivalent to any increase in the capitated rate that DHFS pays HMOs for serving MA and Badger Care recipients, which increase is intended to cover hospital services and is associated with the hospital assessment. The bill requires DHFS to determine monthly amounts. specific to each HMO and hospital, that HMOs must pay hospitals based on data that DHFS uses to calculate the capitated rates DHFS pays HMOs as well as encounter data provided by the HMOs. DHFS must redetermine the amounts at least once annually and must publicly disclose the methodology used to calculate the amounts. The bill requires that each HMO and hospital reconcile the monthly HMO payments to the hospital with actual utilization of inpatient and outpatient services by MA and Badger Care recipients every six months, and that the HMO or hospital, whichever is applicable, pay the other any difference within 90 days. If an HMO and hospital cannot reconcile the amount owed, upon the request of either the HMO or hospital, DHFS must determine the amount. The DHFS determination is subject to administrative review. V /2008A

Under the bill, DHFS must report, by December 31, 2009 and by December 31 each year thereafter, to JCF all of the following information for the immediately previous state fiscal year: (1) the total amount of hospital assessments collected; (2) the total amount of assessments collected from each hospital; (3) the total amounts that DHFS determines were paid to HMOs for increased MA and Badger Care payments to hospitals; (4) the total amount of these payments made to each hospital by HMOs; (5) the total amount of these payments made to each hospital and the portion of the capitated payments made to HMOs for inpatient and outpatient hospital services from general purpose revenues; (6) the total amounts obtained sincluding under (3) and (7) the results of any audits conducted by DHFS concerning

DRAFTER'S NOTE FROM THE LEGISLATIVE REFERENCE BUREAU

Date

LRB-4081/1dn RLR:...:...

Michelle Gauger:

The language in October 2007 Special Session Senate Bill 1 governing HMO payments to hospitals directed HMOs and hospitals to reconcile the periodic interim payments with hospital charges for services. This does not make sense, because the periodic interim payments are only a portion of the payments that HMOs make to hospitals for services. Please review the changes I made to proposed s. 49.45 (58) (b) and (c) that require HMOs and hospitals to reconcile the periodic payments just with the portion of hospital charges associated with rate increases in connection with the hospital assessment.

- 1. Since Badger Care Plus is now implemented, I have deleted mention of Badger Care in the appropriation accounts under s. 20.435 (4) (xc) and (xd); okay?
- 2. Please review the amendment to s. 49.45 (5m) (am), stats.; is this what you want? Note that I have repealed s. 49.45 (5m) (ag), stats., and have amended out mention of critical access hospitals in s. 49.45 (5m) (am), stats.; this is because it is my understanding that critical access hospitals do not actually receive moneys under s. 49.45 (5m), stats., but, instead, under other statutory provisions.
- 3. Note that the dollar amounts for the appropriation account under s. 20.435 (4) (xd) have been increased by \$1,500,000 annually, to reflect the loss of MA revenue that occurs because of the repeal of the current hospital assessment under ss. 20.435 (4) (gp) and 146.99, stats. However, note that the "write down" of the GPR appropriation for MA in this bill is \$60,000,000 in fiscal year 2007–08 and \$65,000,000 in fiscal year 2008–09; these amounts do not correspond to the amounts in the schedule for s. 20.435 (4) (xd), because MA as a whole is losing \$1,500,000 in each year that came in under the former hospital assessment.

4. Since s. 20.435 (4) (xd) is limited to the amounts in the schedule, it is unnecessary to add the proposed language that would limit the amount that may be expended under this appropriation account. \checkmark

FW: LRB Draft: 07-4081/1 Hospital assessment

Attachments: 07-4081/1; 07-4081/1dn

Good morning,

Thank you for drafting this language. I have only one change.

On page 4, please change the appropriated SEG in 20.435(4)(xc) to \$147,032,800 in FY 08 and to \$149,226,000

Please change the appropriated SEG in 20.435(4)(xd) to \$60,000,000 in FY 08 and to \$65,000,000 in FY 09.

As you mention in the drafter's note, the amounts in 4xd have been increased to reflect the loss of MA revenue that occurs because of the repeal of the current hospital assessment. However, DHFS has already collected the assessment for FY 2008 and due to unrelated changes in projected revenues, will be able to absorb the loss of the current assessment in FY 2009 without additional funding.

Thank you.
