Instead of doing all of the following, leave the passive review provisions. Only change the scope of the provision (as in the beginning of this item) and require a majority vote to support the governor's position. RCT

7. **Legislative Oversight of Governor's Vote on Council**

Amend s. 14.95 (3m) (b) [page 3, lines 1-25] as follows:

~~(b) Before voting The governor or his or her alternate may not vote on a rule or regulation under s. 281.343 (3) (c) 1., or on a regulation under s. 281.343 (3) (a) 2. that amends the standard of review and decision, for the implementation or enforcement of regional review under s. 281.343 (4h), the exception standard under s. 281.343 (4n) (d), or the decision-making standard under s. 281.343 (4r), other than a rule or regulation that deals solely with the internal management of the council or its property, or on a regulation under s. 281.343 (3) (a) 2. that amends the standard of review and decision, unless the governor or his or her alternate shall submit the proposed rule or regulation to the joint committee on legislative organization for review and a majority of the committee members express approval of the governor's proposed vote on the proposed rule or regulation. The governor or the governor's alternative may only cast a vote in accordance with such committee recommendation. A tie in the number of committee member votes shall be considered a vote against the governor's proposed action. The governor or his or her alternate may not vote on the rule or regulation before the 30th day after the date of submission. If the cochairpersons of the committee do not notify the governor or his or her alternate within 30 days after the date of the submission that the committee has scheduled a meeting for the purpose of reviewing the proposed rule or regulation, the governor or his or her alternate may vote on the proposed rule or regulation. If, within 30 days after the date of the submission by the governor or his or her alternate, the cochairpersons of the committee notify the governor or his or her alternate that the committee has scheduled a meeting for the purpose of reviewing the proposed rule or regulation, the governor or his or her alternate may not vote on the proposed rule or regulation before the 60th day after the date of submission. If, within 60 days after the date of submission, the committee does not object to the rule or regulation, the governor or his or her alternate may vote on the proposed rule or regulation. If, within 30 days after the date of submission, the cochairpersons notify the governor or his or her alternate that the committee has scheduled a meeting for the purpose of reviewing the proposed rule or regulation and, within 60 days after the date of submission, the committee objects to the proposed rule or regulation, the governor or his or her alternate may not vote on the proposed rule or regulation.~~
