**11. Water Use Report**

**Create s. 281.344 (3) (h) [page 55] to read as follows:**

(h) *Water use report.* Beginning eight years after the effective date of this subdivision, and every five years thereafter, the Department, using the reported annual water use data, shall publish a water use report for Wisconsin to summarize water usage, identify trends, identify areas for future usage concerns and recommend future actions to promote sustainable water use. The report shall also include water resource information derived from the reporting and data accumulation requirements of other water regulatory sections of the Wisconsin Statutes.

**Create s. 281.346 (3) (g) [page 92] as follows:**

*Water use report.* Beginning eight years after the effective date of this subdivision, or five years after the last report prepared pursuant to s 281.344 (3) (h), whichever is earlier, and every five years thereafter, the Department, using the reported annual water use data, shall publish a water use report for Wisconsin to summarize water usage, identify trends, identify areas for future usage concerns and recommend future actions to promote sustainable water use. The report shall also include water resource information derived from the reporting and data accumulation requirements of other water regulatory sections of the Wisconsin Statutes.
