

**Fiscal Estimate Narratives**

**DATCP 3/2/2007**

LRB Number <b>07-0626/1</b>	Introduction Number <b>AB-0114</b>	Estimate Type <b>Original</b>
<b>Description</b> Changing the requirements under which a landowner may withdraw property from a drainage district		

**Assumptions Used in Arriving at Fiscal Estimate**

It is not possible to determine the amount of the increased costs involved because there is currently no mechanism in place to obtain a vote of the landowners in a drainage district. The voting procedures envisioned in this bill will be difficult and costly to determine whether or not two-thirds of the land has actually been represented by the vote.
