Assumptions Used in Arriving at Fiscal Estimate

The State Public Defender (SPD) is statutorily authorized and required to appoint attorneys to represent indigent defendants in criminal proceedings. The SPD plays a major role in ensuring that the Wisconsin justice system complies with the right to counsel provided by both the state and federal constitutions. Any legislation that creates a new criminal offense or expands the definition of an existing criminal offense has the potential to increase SPD costs.

This bill does not create a new offense or change penalties. It proposes a procedural change regarding the timing for district attorneys to notify crime victims of their rights. This change, if enacted, is unlikely to have a significant effect on either the SPD budget or the budget of local governmental entities.
