Assumptions Used in Arriving at Fiscal Estimate

The State Public Defender (SPD) is statutorily authorized and required to appoint attorneys to represent indigent defendants in criminal proceedings. The SPD plays a major role in ensuring that the Wisconsin justice system complies with the right to counsel provided by both the state and federal constitutions. Any legislation that creates a new criminal offense or expands the definition of an existing criminal offense has the potential to increase SPD costs.

Because this bill neither creates a new criminal offense, nor changes any penalties or criminal procedures, it is unlikely to have a fiscal effect upon the SPD.

Counties may have some administrative costs related to garnishment procedures, but SPD lacks the knowledge to evaluate any fiscal effect on the counties from this bill.
