Fiscal Estimate Narratives

DA 8/30/2007

LRB Number	07-2464/1	Introduction Number	AB-0490	Estimate Type	Original
Description Terms of imprisonment for certain drunken driving offenses and providing a penalty					

Assumptions Used in Arriving at Fiscal Estimate

In the short run, it does not appear as though this bill would have a fiscal impact on District Attorneys' Offices.

Long-Range Fiscal Implications

Currently, data is unavailable to determine if there would be a long-range fiscal effect resulting from the implementation of this bill. However, it would be worthwhile to review the data on a regular basis if the bill is passed. There is a possibility that this bill could have a long-term fiscal effect because current law allows repeat OWI defendants to challenge prior convictions. If successful in their challenge, the number of offenses against the defendant would be lessened, thereby reducing the penalty for a subsequent conviction. It would be reasonable to expect that the number of challenges of prior convictions would increase, thereby requiring additional prosecutors' time.
