Assumptions Used in Arriving at Fiscal Estimate

This bill will increase responsibilities for Commerce for a limited time period, but Commerce will be able to absorb the costs of those responsibilities. Under the bill, Commerce will be required to certify businesses to claim the tax credit, and allocate to each business the maximum amount of tax credit it may claim. The statutory maximum for all claimants is \$2,000,000. Commerce's authority to certify and allocate ends on June 30, 2009. Commerce has no other responsibilities under the bill.
