Description				
Creating an ex	ception to local levy	limits for certain fire protection serv	rices	

Assumptions Used in Arriving at Fiscal Estimate

In enacted, this bill would allow a city, village, or town to increase the levy limits for the costs of fire protection services that are contracted out to another person. It is not possible to estimate how many of Wisconsin's 1,851 cities, villages, or towns will contract out for fire protection services. Therefore, the fiscal effect is indeterminate.

Long-Range Fiscal Implications

Unknown.
