Description Creating an individual income tax checkoff for the Special Olympics Wisconsin, Incorporated, and making an appropriation					

Assumptions Used in Arriving at Fiscal Estimate

Under current law, individuals filing income tax returns may elect to designate a portion of their refund or donate any additional amount to the endangered resources program. Similar check-offs have been expanded to include other programs such as a veterans trust fund, firefighters memorial, breast and prostate cancer research, multiple sclerosis, and a professional football stadium district.

SB 221 would create another check-off which would direct funds to Special Olympics Wisconsin, Inc. This proposed check-off would be modeled after the existing check-offs in which the donated funds, less the administrative fees, would be deposited in an appropriation for a specific non-profit agency. The Department of Revenue will be responsible for administering and monitoring this program; therefore, there is no fiscal effect to the Department of Health and Family Services.
