Assumptions Used in Arriving at Fiscal Estimate

SB 434 would require the Department of Tourism to prepare a comprehensive annual report detailing its economic development activities within the preceding fiscal year. Our department is currently preparing internal reports on the 5 programs defined in the LAB audit 06-9 dated August 2006.

SB 434 also requires the Department of Tourism to collaborate with Commerce to make the reported information available to the public on the Internet. There is no clear indication in this bill who would absorb the cost of this new Internet-based system.
