The Honorable, The Senate:

The State Elections Board staff has received a number of inquiries concerning the last day on which the legislature may act to ensure that a proposed constitutional amendment can be placed on the ballot for the April 3, 2007 spring election. The legislature must complete action on a proposed constitutional amendment no later than Tuesday, February 20, 2007.

By statute, all proposed constitutional amendments and any other measure or question that is to be submitted to a vote of the people shall be filed with the official or agency responsible for preparing the ballots for the election no later than 42 days prior to the election at which the amendment, measure or question will appear on the ballot. Please make the appropriate arrangements to ensure that this information is communicated to the members of the legislature. If you or any member of the legislature has a question, please contact me at 608-266-8005 or ask to speak to one of our Elections Specialists.
