

WISCONSIN LEGISLATIVE COUNCIL  
ACT MEMO

**2007 Wisconsin Act 60**  
[2007 Assembly Bill 100 ]

**Safety Glass in Towed  
Recreational Vehicles**

Under current law, all motor vehicles operated on a highway, including towed recreational vehicles, must be equipped with safety glass. Passengers are not allowed to ride in a recreational vehicle when it is being towed unless it is a fifth-wheel recreational vehicle, with certain limitations.

*2007 Wisconsin Act 60* exempts recreational vehicles that are not fifth-wheel recreational vehicles from the requirement that they be equipped with safety glass. Fifth-wheel recreational vehicles are still subject to the vehicle safety glass requirement.
