2007 Wisconsin Act 20 directed the Department of Revenue to convene a study group to assess the feasibility and desirability of imposing local general property taxes or their equivalent on all property, other than power plants, of electric cooperatives, municipal utilities, and light, heat, and power companies (e.g., investor-owned electric and natural gas utilities). This provision required the study group to report its findings and recommendations to the Legislature by May 1, 2009.

2007 Wisconsin Act 215 repeals this study.
