AMENDMENT MEMO**

2007 Assembly Bill 71

**Assembly
Amendment 1**

Memo published: February 4, 2008

Contact: Richard Sweet, Senior Staff Attorney (266-2982)

Assembly Bill 71 provides that if a health care facility or a physician charges for use that is made of the health care facility during the course of a patient’s physician office visit, in addition to charging for the services provided by the physician, the facility or physician or an employee of the facility or physician must do both of the following: (1) before the start of the physician office visit, notify a patient that the health care facility use charge will be made; and (2) identify on the bill the health care facility use charge separately from the charge for services provided by physician.

Assembly Amendment 1 deletes references to “physician” in the bill and substitutes references to “health care provider.” The term “health care provider” is defined by reference to a current statute, which defines the term as follows:
